

PIXLEY KA SEME DISTRICT MUNICIPALITY APPOINTS VETERAN MUNICIPAL MANAGER

Pixley ka Seme District Municipality is pleased to announce the appointment of Mr. Isak Visser as Municipal Manager. Mr. Visser will guide the district municipality through the administration to fulfill the council's vision, "develop a sustainable district for future generations." This vision will be achieved by supporting our local municipalities to create a home for all in our towns, settlements, and rural areas to render dedicated services, promoting economic growth that is shared across and within communities, and aligning development initiatives in the district to the National Development Plan.

An educator by profession, Mr. Visser has spent the past 18 years as a Municipal Manager at one of the local municipalities in the district, namely Emthanjeni Local Municipality. He was also a Chief Financial Officer at Siyathemba Local Municipality in the 2003/2004 financial year. With his knowledge and expertise in Local Government, we believe he will strive in achieving our vision and mission.

Mr. Visser obtained a BCom degree and a Higher Diploma at the University of the Western Cape, and a Bachelor of Laws (LLB) degree at the University of the Free State.

It is with pleasure to introduce and welcome the Municipal Manager, Mr. Isak Visser, to the District Municipality staff, and as the Executive Mayor, I have full confidence in his ability and capability in his new position as the administrative head of the institution.
